

The \$19 Trillion Solution – Executive Summary

Goal: Use Australia's A\$19T net wealth to erase all debt, guarantee basic security, and rewire society for cooperation.

Key Steps:

1. Pay off A\$6T total debts + fund 5yrs govt (A\$3.4T).
2. Redistribute remaining A\$9T as assets + income.
3. Legalize & regulate drugs; invest in health treatment.
4. Use social media microcontent & mirror neuron science to embed prosocial norms.

Expected 5Year Outcomes:

- Poverty near zero; property crime –90%.
- Overdose deaths –70%; net debt to GDP 0%.
- Life satisfaction $\geq 8/10$; Gini ≤ 0.22 .

Why It Works:

Empirical trials show cash security improves health, growth, and reduces crime. Wealth exists; challenge is implementation.
